

# WHY AMNESIA

## FEMALE-FRONTED FINEST JACK-ROCK FROM GERMANY

Step aside, this is WHY AMNESIA!

Actually, with their black leather jackets, denim vests and dark retro sunglasses those dudes might remind you of a biker gang. Which is somehow fitting, as their music is the perfect soundtrack for a long ride on a winding and dusty road: Fast-paced drumming, straight basslines, powerful guitar riffs and a female voice that easily switches from whisky to balladesque tones and then back again, just to turn up the heat a little more!

Following „STEREO“ (2012), „GODIVA“ (2015) and „JACKS´N´HEARTS“ (2020), the female-fronted five-piece from the Ruhr Area in Germany dropped their fourth album ANGELS´ SHARE in July 2023, featuring the singles „Pour Me A Whiskey“, „Angels´ Share“ and „Hey You“ offering a catchy mix of traditional hard rock with bluesy elements and a strong female voice. Biker and booze rock with just the optimum octane number!

With their new single release in September 2024 the band strikes a softer note: „BREATHE“ is a killer ballad which hits the sensitive nerve hidden deep in even the hardest rocker´s heart!

Check them out on YouTube and don´t miss out their tour with German hard-rock-legend VICTORY in Sep/Oct 2024!
