

WHY AMNESIA

FEMALE-FRONTED JACK-ROCK FROM GERMANY

Step aside, this is WHY AMNESIA! Actually, with their black leather jackets, denim vests and dark retro sunglasses those dudes might remind you of a biker gang. Which is somehow fitting, as their music is the perfect soundtrack for a long ride on a winding and dusty road: Fast-paced drumming, straight basslines, powerful guitar riffs und a female voice that easily switches from whiskey to balladesque tones and then back again, just to turn up the heat a little more ...

Following STEREO (2012), GODIVA (2015) and JACKS 'N' HEARTS (2018/2020), WHY AMNESIA are back in November 2022 with their single release „POUR ME A WHISKEY“ and give a first taste of their new album which will be released in 2023. „POUR ME A WHISKEY“ is just the right companion in a dimly lit bar where you sit and relax with your best friends after a more or less successful day. Because much more than just about whiskey, the song is about the liberating power of friendship and music. And after all it is not only a homage to our beloved golden brown liquor, but also reminds - in the best sense and equally with the accompanying video - of the times before and around the turn of the millennium, when rock ballads were played with loud guitars and videos were telling stories ...
